City of Brewton, Alabama
DEPARTMENT OF COMMUNITY DEVELOPMENT
RIGHTS-OF-WAY USE APPLICATION

All work performed under this permit shall be done in accordance with the City of Brewton right-of-way ordinance.
Approval is subject to the following:

1. The applicant certifies that prior to filing this application that said applicant has ascertained the location of all existing utilities both aerial and underground and the accurate locations are shown on the plans.
2. The construction and maintenance of such utility shall not interfere with the property and rights of a prior applicant.
3. All work shall be done pursuant to the approval of the Code Enforcement Officer. All materials and equipment shall be subject to inspection by said Code Enforcement Officer or his/her designee.
4. All construction shall be performed in a manner meeting the approval of the Code Enforcement Officer to safety standards as prescribed by the Manual of Uniform traffic Control Devices and ALDOT Design Standards.
5. It is understood and agreed that the rights and privileges herein set out are granted to the extent of the City's right, title and interest in the land to be entered upon and used by the Permittee. The Permittee will, at all times, assume all risk of and indemnify, defend and save harmless the City from and against all loss, damage cost or expense arising in any manner out of the exercise or attempted exercise of the aforesaid rights and privileges.
6. All City of Brewton property and/or rights-of-way shall be restored to current standard as approved by the Code Enforcement Officer or his/her designee.
7. The attached sets of plans covering details of this installation shall be made a part of the permit.
8. It is expressly stipulated that this permit is a license for permissive use only and that placing facilities upon public property pursuant to this permit shall not operate to create or to vest any property rights in said holder.
9. Whenever necessary for the construction, repair, improvement, alteration or relocation of all, or any portion of a City facility as determined by the Public Works Director or designee, any or all poles, wires, pipes, cables or other facilities appurtenances authorized hereunder, shall be removed from said rights-of-way, or reset or relocated thereon as required by the Public Works Director or designee, and shall be done at the expense of the holder.
10. Utilities being constructed in City rights-of-way must be properly marked with showing name of company, nature of utility and a telephone number where the company can be reached. If a pad or pole is used for identification, the distance to the buried line must be designated.
11. The City shall be notified 48 hours prior to starting work and again immediately upon completion of work at (251) 809-1762.
12. The City shall be notified prior to any lane and road closures at (251) 809-1762 or (251) 809-1780.
13. Notify Alabama Locate prior to starting construction at (800) 292-8525.
14. Permitted work must commence within 60 calendar days of permit approval. Extensions may be granted through written request only.
15. If applicable, execute and return the original permit with the Permit Close-Out Section completed and record drawings (as-builts) to the City stating that the job is completed in accordance with the permit and all changes have been noted in the record drawings.
16. This permit may be terminated by the City of Brewton in the event that the Permittee violates any provision contained herein and/or fails to promptly correct such violation within 48 hours of notice from the City.
17. The Permittee is responsible for ensuring that all work is done in compliance with the Americans with Disabilities Act.
18. Permittee is responsible for providing an emergency contact person and phone number for 24 hours a day / 7 days a week. Inability to make contact in the event of an emergency may result in penalty, or fines such as suspension, revocation of permit, and/or back charge as a result of damages.
19. Contractor must have a valid State Certified License and City Business License to perform work in the City's rights-of-way.
20. In addition to the permit application, 2 copies of construction plans and, if applicable, 2 copies of MOT plans, signed and sealed by a professional engineer registered in the State of Alabama, must be submitted as required by the Code Enforcement Officer or designee.
21. Permittee must have a copy of the approved construction plans and application on the job site at all times while work is being performed.
22. The Beason-Hammon Alabama and Citizen Protection Act, Act No. 2011-535, Alabama Code (1975) Section-13-1, et. Seq., states that before entering into a contract with the City, a contractor must provide a notarized affidavit agreeing not to knowingly employ any unauthorized aliens in the State of Alabama and the contractor must enroll in the E-Verify Program in order to verify the immigration status of every employee required to be reverified through the system. Documentation of the E-Verify Program enrollment may be required. In addition, contractors are required to provide a notarized affidavit ensuring that their subcontractors have complied with the aforementioned requirements.

It is the responsibility of the contractor to ensure that all proposed improvements are constructed in the right-of-way, not on private property. Streets are not centered in the right-of-way and the street centerlines should not be used to determine the right-of-way limits. Utilization of a professional land surveyor or property corner verification may be necessary to determine the right-of-way limits.
